PRESIDENT'S LETTER

Dear Friends,

Serving for a second year as President of the Tucker Community Endowment Foundation has been a privilege and an honor.

I am fortunate to serve under the oversight of an exemplary Board of Directors whose reputation for leadership and community service is second to none, and a staff whose professional expertise and personal commitment to philanthropy would be the envy of any organization.

What an amazing and action packed year for the Foundation! With the addition of the Kep and Alice Smith Trust, the continued growth of our other endowments, and pass-through donations made by generous donors, we were able to award 49 scholarships for a total of \$67,100, and over \$180,000 in grants.

The Foundation also sponsored a new community event, Run For It. This exciting event attracted more than 300 participants and generated over \$32,000 for community organizations. We plan to make this an annual event.

Combining the \$424,000 that was awarded from the William M. Harman Fund with the above totals, the Foundation provided over \$800,000 to the communities we serve.

Families, businesses, and individuals have made a lasting impact through the charitable funds established with us and through the gifts received over the years. By pooling these funds and gifts it enables us to efficiently support and act in response to our community's changing needs and opportunities.

As I reflect on this past year, I see how fortunate we are to do the work we do. We are grateful to our donors and our community's faith and trust. Your benevolence and desire to make a difference are the qualities that exemplify the very best of community!

Winston Churchill once said, "We make a living by what we get; we make a life by what we give." The Foundation can provide the framework for long term giving that will influence the life of the giver and the life of the receiver.

My sincere hope is that you will continue to support the endeavors of the Tucker Community Endowment Foundation. You can learn more about the Foundation and our activities by reading this report, visiting our website at tuckerfoundation.net, or by visiting our office in Parsons. Each of you can make a difference in your community!

Kind Regards,
Diane T. Beall, President

TUCKER COMMUNITY ENDOWMENT FOUNDATION MISSION STATEMENT

Our mission is to build a permanent pool of endowed funds to serve the broad charitable needs of our community, to manage these funds responsibly, and to use them efficiently in responding to our community's changing needs and opportunities.

THE POWER OF GIVING

YOU **D**ONATE ... WE'LL **D**ISTRIBUTE

DECIDE

Decide what purpose you want your donation to serve. You can donate to a specific area of interest, for example: arts, recreation, health, youth, education/scholarship, historic preservation, or you can choose to give to general charitable purposes. Unrestricted gifts allow for maximum flexibility in awarding the money where it is most needed. Donations may be made in honor or in memory of friends and family. All donations to the Foundation are tax deductible.

DONATE

The simplest way to make a gift to the Foundation, either to an existing Endowed Fund or to create a new fund is with cash. Donations in any amount are accepted. Make checks payable to TCEF and mail to the Foundation office at P.O. Box 491, Parsons, WV 26287.

Starting your own Endowed Fund allows you to name your fund and determine the distribution guidelines. Endowed Funds can be initiated in less than an hour. Call the Foundation office for assistance or visit the Endowed Fund link at tuckerfoundation.net.

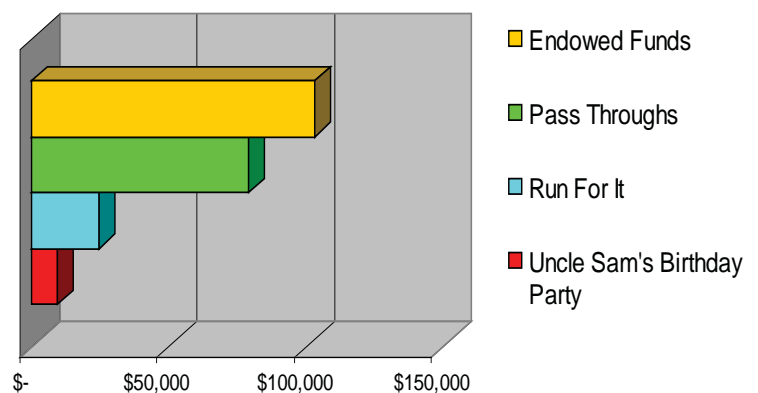

Donations to Tucker Community Foundation are invested for growth and income. The income generated is distributed in the form of grant and scholarship awards allowing the original donation to grow for perpetuity.

The Foundation also accepts gifts of appreciated securities, life insurance, bequests, and other assets (real estate, jewelry, etc.), subject to review.

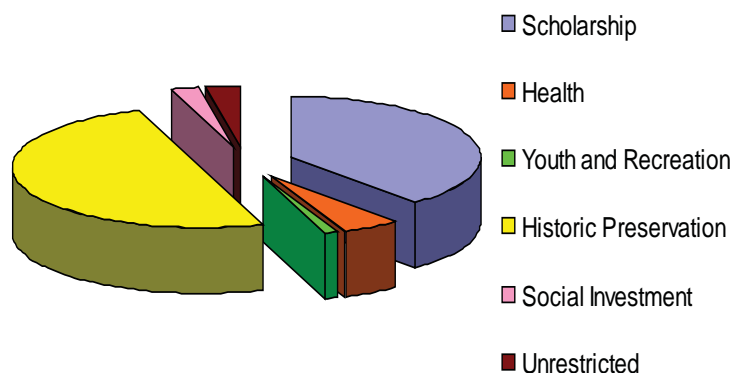

DISTRIBUTE

The Foundation distributes scholarship and grant awards annually. Awards are generally based on a competitive application process. Pass through donations allow for direct distribution to the named charitable recipient(s).

The Smiths’ bequeathed the income earned from one half of their large estate to the Foundation. Although the funds generated from the trust are unrestricted, the Foundation has been diligent in honoring projects and causes identified in a final letter from Mrs. Smith.

IN MEMORY

Paul A. Meyer (1922-2007)

A lifelong resident of Davis, Paul A. Meyer, left his legacy through a \$50,000 bequest to the Davis Cemetery Fund of TCEF. The Davis Cemetery, located close to Paul's home on the outskirts of Davis, served as the final resting spot for his beloved wife and many of his family members. As long as he was physically able, Paul took care of the family graves himself.

It was his request that only the interest earned from his donation be spent annually for Davis Cemetery maintenance. He placed his bequest with the Tucker Community Endowment Foundation for "conservative investment". Cemetery Preservation Funds

of the Foundation are used for the maintenance, repair, and restoration of cemeteries that are governed by a board of trustees.

In October of 2006, Margaret Fortini Siembieda initiated the Davis Cemetery Fund of TCEF. The fund grew quickly in response to a fund drive Ms. Siembieda initiated with former classmates and alumni of Davis High School. With the addition of the Meyer bequest, the Davis Cemetery Maintenance Fund of TCEF will distribute its first award in the fall of 2008.

Planned Giving

What do you want your legacy to be?

Planned giving allows donors, large and small, to make a difference in the lives that follow. If you wish to leave your footprint on the future, here's how the Tucker Community Endowment Foundation can help.

1. You may designate the Foundation as a beneficiary of your estate in your will. Talk with your attorney or financial advisor about establishing a charitable remainder trust naming TCEF as beneficiary.

- You can designate a certain dollar amount, or you can name TCEF as residuary or contingent beneficiary.
- You can name the cause you wish to support, or the bequest can be unrestricted giving TCEF maximum flexibility in distributing it where and how it is most needed.
- You may establish an Endowed Fund of TCEF through a bequest. You can name the fund and the distribution criteria in your will. Consult with your attorney and the Foundation office for proper wording of the bequest.
- You may bequeath other assets to TCEF. Real estate, jewelry, coins, etc. may be accepted subject to review.

2. You may name TCEF as a beneficiary of a new or existing life insurance policy.

Life Insurance provides several options for giving. You may donate an existing, paid up policy, and receive an immediate tax deduction or you can take out a new insurance policy naming the foundation as owner and beneficiary. Your annual payments to the Foundation to pay the premiums are fully deductible as a charitable contribution. Contact the Foundation office for more information.

3. You may want to consider designating the Foundation as a beneficiary of your retirement account. Your estate will receive a deduction for estate taxes and the Foundation will not incur taxable income.

THE ORIGIN OF TUCKER COMMUNITY ENDOWMENT FOUNDATION

Tucker Community Endowment Foundation was started as a grass root effort by local visionaries who witnessed the devastating floods of 1985. Those individuals realized there were few local resources to address the pressing needs of local residents and businesses that were affected. They vowed to do something about it; three years later the Tucker Community Endowment Foundation was formed.

The Foundation became a formal entity in 1989. Until 2004, the organization was run strictly by an all volunteer board. In July of 2004, a full time Executive Director was hired, and that fall TCEF officially acquired office space in Parsons.

TCEF has grown significantly due to the generosity and vision of our donors. TCEF manages over 70 Endowed Funds with assets in excess of \$17 million, and we are still growing! The Foundation serves a six county region that includes Barbour, Grant, Preston, Pocahontas, Randolph and Tucker counties.

TCEF is a founding member of both the West Virginia Consortium of Community Foundations and WV Grantmakers, and also a member of The Council on Foundations, the largest national organization serving foundations.
