PLEASE READ:

Please note that there are questions in this application that may not apply to you and your situation (especially on page 9). This application covers well over 50 different scholarships and some have specific requirements. Just because you do not qualify for one scholarship does not mean you would not qualify for another. One of the reasons we use a joint application is to allow the applicant to file for all of the scholarships at once. We will determine your eligibility for each different scholarship. Therefore please complete the application answering all of the questions to the best of your ability.

Tip Sheet

Tips for High School Applicants:

- ✓ Please make sure you complete your activity sheet listing your activities from grades 9-12. Remember, community activities are just as important to us as school activities. Suggested format:

Varsity Football	10 – 12
4-H	9 – 12
Hi Y	9 – 10,12
- ✓ List any job experiences you have had during your high school years:

Wait staff, A Local Restaurant	summer 9, 10
Lifeguard Community Pool	summer 11
- ✓ If you are unsure about listing an activity, go ahead and list it. We will make the determination if it is acceptable and it can only help you, not hurt you.
- ✓ Please make sure you sign the application before sending it.
- ✓ The personal statement should tell us something about yourself not already included in your application. Please do not repeat material already listed in your activity sheet.
- ✓ Don't wait until the last minute. We appreciate early submission of applications. All applications must be postmarked by the April 15 deadline. No exceptions.
