Invest In Your Community

Are you looking for a way to positively impact your community while staying active and healthy? Look no further than the Run For It program, developed by the Tucker Community Foundation in 2007. This program encourages participation in healthy activities while raising much-needed support, and awareness for non-profit organizations, and charities in our eight-county region of West Virginia and Maryland.
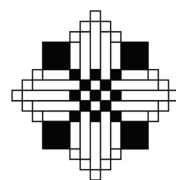

Join one of the many teams representing non-profit and charitable organizations and take advantage of three opportunities to raise support through the program: entry fees, team sponsorship, and race day awards. Half of the entry fees, 100% of team sponsor donations, and 100% of race day awards go towards your team's chosen cause. Plus, the Foundation provides the initial funding for the race awards purse, and race sponsors supplement these awards, leading to 100% cash awards for teams across numerous award categories.

The annual Run For It campaign begins on April 1, 2024, and culminates with a 2k (1.2M) walk and a USATF-certified 5k (3.1M) race on September 28, 2024, in Davis, WV, during the annual Leaf Peeper's Fesival. Don't miss out on this unique opporutnity to make a difference in your community while improving your health. Join a team and start fundraising today!

Run For It!
Explained

At its heart, Run For It has two goals:

1. To encourage particpation in a healthy activity (running and walking).
2. To bring awareness to and raise funds for non-profit, civic and charitable organiztions in Barbour, Grant, Mineral, Pocahontas, Preston, Randolph, and Tucker Counties in West Virginia and Garrett County, Maryland.

There are three ways you can get involved. You can be a racer, a team sponsor, and/or a race sponsor.

Racers and Entry Fees

Attention runners, walkers, rollers, and strollers! If you're all supporting the same cause, you can form a team to compete for awards. For more information on becoming a Team Captain, please refer to page 10.

Participants can register for the event either online through the Run For It website or by submitting a hard copy entry form. When registering, it is mandatory to specify the team or cause you are supporting. Half of the entry fee will be donated to your chosen cause.

Team Sponsors and Sponsor Donations

Individuals, groups, and businesses can choose to support one or more teams. Team sponsors may support their own team and/or other teams as well. Please refer to Page 11 for more information.

Team sponsors can donate any amount to any number of causes by either donating online through the Run For It website or by submitting the enclosed donation coupon. It is important to note that 100% of sponsor donations support the team's cause.

Race Sponsors and Awards

The Run For It event is supported by individuals, groups, and businesses. You can find more details about this on page 12.

The Foundation provides the initial funds for the race awards purse. The race sponsors then add to these funds, resulting in larger cash prizes for teams. The team or cause that wins the awards will receive 100% of the cash prize. For more information, please refer to page 5.

Participants can raise support for:

Arts, Area Programs, Animal Welfare, Charities, Churches, Civic Organizations, Community Improvement, Cultural Organizations, Educational Activities, Emergency Services, Environmental Causes, Historic Preservation, Hospital & Medical Programs, Libraries & Literacy Programs, Non-profit Organizations, Parks & Recreation, Senior Citizen Programs, TCF Operations, and Youth Organizations

Run For It aims to promote healthy living while also supplying added support to non-profit organizations, community projects, and charitable causes, making a positive impact in the communities we serve in West Virginia and Maryland. By becoming a sponsor of the race, you will play a vital role in making it all possible. In return, you will receive recognition throughout the six-month race campaign.

The Tucker Community Foundation provides $16,000 of initial funding for the race awards purse, and race sponsors supplement these awards, leading to 100% cash awards for teams across numerous award categories. Your donations qualify as charitable contributions and are tax-deductible, and tax receipts will be issued for your donation. You can choose to donate across any one of the following categories:
