## Tip Sheet

Tips for College Student/Non-Traditional Applicants:

- ✓ Please complete your activity sheet for any activities you participated in from High School graduation and beyond. Make sure the activity sheet is complete.
- ✓ You must submit an official college transcript. Most colleges and universities prefer to submit transcripts directly to the Foundation so make sure they have the correct mailing address for TCF. Applications by college students without an official transcript are typically not competitive.
- ✓ Don't wait until the last minute. We appreciate early submission of applications. All applications must be postmarked by the Friday, March 7th deadline. No exceptions.
